

The names of all 626 Berniecrats who have won primaries so far in 2018!

 WARREN LYNCH · WEDNESDAY, JUNE 20, 2018

For all ye doubters (especially those working at NPR) who keep saying that the Berniecrats and progressives are “losing” the 2018 primaries! There are 626 names here, and 82 of them in FEDERAL races! The number of seated progressives is about to at least TRIPLE this November, so don’t believe the hype!

(updated 9/16/18)

The list is now **annotated!** People have been asking me for ages: “WHY do these people count as Berniecrats?” So now there’s a key, from most left-leaning to most moderate:

(DSA) - endorsed by Democratic Socialists of America, the leftist group that Alexandria Ocasio-Cortez is a member of. (even to the left of Bernie!)

(Bernie) - endorsed by Bernie personally

(LB) - endorsed by Local Berniecrats, a grassroots group with no money that started on the Internet with the goal of making Bernie’s down-ballot dream come true

(OR) - endorsed by Our Revolution, either national or a local branch. The organization started by Bernie Sanders.

(W) - personally endorsed by me, [Warren Lynch](#). This candidate is a person I know personally, and I vouch for them that they are a progressive.

(JD) - endorsed by Justice Democrats, the group run by The Young Turks

(PCCC) - endorsed by, or my friend from, Progressive Change Campaign Committee, the progressive group which sent me to DC to learn stuff. Some of their candidates are a bit moderate or not Berniecrats per se, but all are strong bold progressives.

(no note) - If there’s no note, this is just a crowdsourced candidate that somebody on the Internet told me was progressive. Many great candidates have no endorsements! But they could be not really progressive.

(PR) - endorsed by “The Political Revolution”. I know very little about them. They seem not very picky.

(CCSPACPA) - endorsed by [California Super-Progressive Anti-Corporate Political Activists Facebook group](#)

(WFP) - endorsed by Working Families Party. Strong economic progressives, but will choose

a less socially progressive choice if they're more union-connected. They endorsed Bernie but also endorsed Ocasio-Cortez's opponent. (EDIT: But then they changed their minds and endorsed Alexandria!! ❤️❤️)

(NNU) - endorsed by National Nurses United. They endorse a lot of moderates but a lot of radical progressives too.

(BNC) - endorsed by Brand New Congress. They endorsed some "progressive Republicans" and I'm not cool with that.

* **asterisk** - One or more person/s said this person was not a real progressive. So, progressiveness contested.

PARTY NOTES: **(I)**=Independent **(VPP)**=Vermont Progressive Party **(G)**=Green Party **(no note)**=Democrat

OTHER NOTES:

&=incumbent

!!=unopposed in the General!

++=already BEAT the incumbent, in the Primary!

These are all crowdsourced. If you want to add a name, or add an asterisk to a name, comment on this note and I'll edit it!

Updates coming soon with links to campaign websites, who is incumbent and who is new, and who's unopposed in the General!
